Located in Williston, NAMI Vermont and its dedicated volunteers work together to raise awareness and provide essential advocacy, education and support group programs at no cost for people in our community living with mental illness and their loved ones. Individuals

All participants are encouraged to collect donations from family, friends, co-workers and business associates. There is no registration fee to participate in the Wellness Walk. All Walkers will receive a NAMI Vermont water bottle for their efforts, plus there will be incentives for walkers who reach certain levels of funds raised.

Teams and Organizations

Organizations, community members, peers and families are encouraged to assemble teams of walkers to participate. Employees, friends, neighbors, and relatives can join you in participating or support you by sponsoring your walk.

Over a Decade of Walking

NAMI Vermont brings together hundreds of individuals and supporters to celebrate mental illness recovery, to honor those who have lost their lives to mental illness, to help raise funds for free programming and services, and to reduce stigma and promote awareness here in Vermont.

The Mind Wellness Walk hosts teams from all over the state. This year's gathering will include a program of community leaders, our walk led by festive drumming, food, activities, information booths and prominent recognition of our sponsors. Our goal is to surpass last year's fundraising total of over \$39,000 and we can do that with your help!
